I certify that I am knowledgeable of the guidelines for the National Flood Insurance Program designation of substantially damaged buildings and that I am authorized to execute this document on behalf of the Applicant which I represent. I further certify that the repairs noted above (1) do not include improvements to correct existing violations of the state or local health, sanitary, or safety code specifications which have been identified by the local code enforcement official and which are the minimum necessary to assure safe living conditions and (2) will not preclude an structure's continued designation as a 'historic structure'
